

MAR 10 1971

Mr. Robert F. Froehke
Chairman, United States
Communications Security Board
National Security Agency
Ft. George G. Meade, Md. 20755

Dear Bob:

The briefing on secure voice communications which you announced in your letter of 1 March 1971 is of interest to me in conjunction with the plans, policies, and programs within the purview of this office. I, therefore, have designated Mr. David B. Hall to attend as an observer to the 15 March meeting of the USCSB.

I also have selected Mr. Charles Joyce of my staff to be the principal point of contact for the USCSB. OTP personnel who will attend future meetings upon invitation, or who will participate with the Board in matters of mutual interest, will be selected by Mr. Joyce on the basis of their background and qualifications on an individual basis.

Sincerely,

Clay T. Whitehead

Dear Clay,

At the next meeting of the United States Communications Security Board, the Director, National Security Agency, will present a briefing on secure voice communications which will include a threat assessment, solutions NSA has in the offing (along with a demonstration of some secure voice communications equipment), and the approximate cost of this equipment.

I believe this briefing will be of interest to you as Director, OOT, in conjunction with your responsibilities in developing plans, policies, and programs for telecommunications. Therefore, I extend an invitation to you to send an observer to the 15 March 71 meeting of the USCSEB which will be held at the Department of Transportation in the Secretary's Conference Room (Room #10212), at 2:00 p.m. Attendees must have a Top Secret Crypto clearance and be indoctrinated for Special Intelligence.

Please inform Mr. Bayard T. Keller, the Executive Secretary, USCSEB, of the names of the people who plan to attend so that the appropriate administrative arrangements can be made. (ExecSec, USCSEB, Room C2A5B, Operations Bldg #3, National Security Agency, Ft. George G. Meade, Md. 20755; Telephone: Area Code 301, 688-7355)
