MEMORANDUM FOR MR. WHITEHEAD

FROM: Helen C. Hall

SUBJECT: Invitation to Speak to the Federal Communications  
Bar Association, Early April

Howard Braun, a communications lawyer and FCBA member, has called in behalf of the FCBA to invite you to speak at their monthly luncheon meeting in April (sometime during the second week). Since you spoke to the FCBA soon after your appointment to OTP they thought it would be an appropriate place for your "swan song" speech. The FCBA is broadcast oriented but would be happy to hear about cable and particularly interested in a summation of your experience at OTP - an evaluation, accomplishments, disappointments, future predictions. Mr. Braun estimates 150 attendance, at the Army-Navy Club, 12:00 to 1:20 lunch, then speak for about 20 to 40 minutes with a Q&A session following. Luncheon meeting ends at 2:00 p.m. They would prefer that you speak in April but May is a possibility.

Henry received a similar invitation for you (in the attached memo) from Marcus Cohn, president of the FCBA.

Subject: FCBA Luncheon Speech

*VS* | Marcus Cohn, in his capacity of President of the Federal Communications Bar Association (FCBA), asked me to see if you would be interested in being the luncheon speaker for the FCBA at either their April or May gathering. He said that there is considerable interest in hearing an "if I had it all to do over again"-type speech from you, especially since you burst upon the Washington scene with a FCBA speech early in your directorship.

I told Cohn that I thought you might be interested in doing it and that April might be a better time than May. Do you want to pursue this?

Dear John

All good things come to those of us who wait! Seriously, I was gratified to see that while we were in Chicago the Senate confirmed your nomination as Deputy Director of OTP. My sincerest congratulations and best wishes on this honor. I know you will find the job challenging, rewarding and I hope not too frustrating. I'm sure I need not remind you if there is anything we can ever do to help you out all you need do is holler.

Moreover, I would like to invite you to be our guest at the FCBA luncheon on May 14 when the "Boss" presents his address. Please let me know if you can make it. I'm sure I need not remind you that many of your former FCC colleagues will be present.

Best regards.

Sincerely
