Honorable Clay T. Whitehead
Director
Office of Telecommunications Policy
Executive Office of the President
Washington, D.C. 20504

Dear Mr. Whitehead:

You recall that when we met in New York City in February I expressed hope that you might come to a full board meeting of the National Programming Council.

The Council as you recall was created at the time of the merger between NET and EBC. It acts as something of a liaison route for the major units concerned with programming and public policy. I am attaching a membership list.

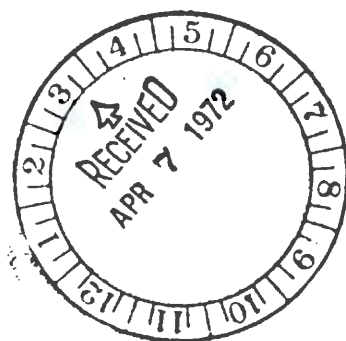

The next meeting of the National Programming Council will be held on June 22, 1972, from 12:30 P.M. to 3:00 P.M. at the offices of the Council, 777 United Nations Plaza, New York, New York. The members of the Council would be honored to have you meet with them for the purpose of discussing certain problems and opportunities facing p.t.v. today.

All best,
