If 9:30 departure from Newark would be O.K., then he suggested we change the reservations to that. I called Miss Karleen Hagan at American (393-2345).

Tickets can be picked up at the Statler on the 15th. \$48 round trip for each. I have not made out TA's.

→ (He wanted to return from Newark airport but all they have would be a 9 o'clock Eastern shuttle (doesn't like shuttle), 10 o'clock shuttle leaving from LaGuardia), the 9:30 which he suggested and the 11:45 Eastern 633. So there's not too much choice if he prefers leaving from Newark. (I'm sure McFall will take him to LaGuardia but I guess it's really repeating steps if they are running so late.) I seem to be rambling on. But-----it's Christmas eve and everyone was supposed to get off at 12 o'clock and it's now 4:50 and I'm still typing!!!

The Honorable Clay T. Whitehead

Dear Tom:

I am enclosing a copy of THE
CONFERENCE BOARD RECORD that has a
couple of articles you might find of
interest if you haven't already seen
this issue. Just throw it away if
you have.

After our lunch discussion I
had some thoughts I would like to
discuss with you further, and perhaps
at the same time you could get a
better feel for Western Union. We
could spend a couple of hours at our
research development activity at
Mahwah, N. J., prior to our discussion.

I would offer the following
dates for your choice, - any time on
December 1, 2, 7, 15 or 16.

*Will call back
about meeting after Jan 1.*

The Honorable Clay T. Whitehead - 2

I think we could do it in one afternoon and would offer the additional dates of - the afternoon of November 30, December 8 or 14.

In the interest of conserving your time we can arrange to have you met at any one of the New York area airports and returned there.

I will give you a call next week to see if one of the above dates meets with your approval.

Sincerely,
